GALVANINA

ECCELLENZA BIOLOGICA ITALIANA

Mixology Line

GALVANINA

Organic mixology line

Created with the aim of responding to the needs of bartenders playing a key role in interpreting modern mixology, Galvanina has given life to a unique range of mixers that stands out thanks to its freshness and versatility.

We've added new and sophisticated flavors to traditional mixers that really make a difference.

An organic soul is the beating heart of every product: in fact, we use only carefully-selected, premium ingredients. Aromatic herbs and natural citrus aromas give an innovative nature to flavor profiles and become the expression of the creative philosophy that underlies the Galvanina mixology line.

Products of exceptional quality that are perfect for mixing, as well as delicious as a stand-alone drink. A wonderful taste experience for the palate!

TONICA

classica

Organic Classic Tonic

200ml

A great classic

Organic and with persistent effervescence, Galvanina Tonic has been created using natural bitter principles extracted from Cinchona tree bark, blended with extracts of bitter orange and bergamot and with the addition of cane sugar, to ensure it is perfectly balanced.

Thanks to this perfect balance of bitter notes and acidity it is thirst-quenching as a stand-alone drink and becomes an indispensable ingredient in mixology.

Mixability: perfect for preparing gin and tonic and ideal for any type of gin.

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, ACIDITY REGULATOR: CITRIC ACID, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, NATURAL CITRUS. *FROM ORGANIC FARMING

TONICA

mandarino verde

Organic Green Mandarin Tonic

200ml

The aromatic impact of green mandarin emerges in its personality, but it is pleasant and well-balanced.

The unique flavor given by the unusual nature of the green mandarin natural aroma and its marked freshness, makes Galvanina Green Mandarin Tonic excellent for more creative and sophisticated mixing. It is also delicious as a stand-alone drink, thanks to its exceptionally refreshing and thirst-quenching nature.

Mixability: excellent with vodka and gin, particularly London Dry gins and gins with strong botanical notes.

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, ACIDITY REGULATOR: CITRIC ACID, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, NATURAL GREEN MANDARIN FLAVOURING. *FROM ORGANIC FARMING

TONICA

mediterranea

Organic Mediterranean Tonic

200ml

With an excellent aromatic profile, Galvanina Mediterranean Tonic has a strong, but non-intrusive flavor. The aromatics are perfectly balanced and release an appealing balsamic component.

Organically-grown citrus fruits and aromatic herbs are carefully selected and skillfully blended to give this tonic its exceptional taste.

Mixability: ideal for mixing with vodka and gin, in particular citrus and floral gins.

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, ACIDITY REGULATOR: CITRIC ACID, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, NATURAL CITRUS FLAVOURING, ROSEMARY EXTRACT*, THYME EXTRACT*. *FROM ORGANIC FARMING

TONICA

pompelmo giallo

Organic Yellow Grapefruit Tonic

200ml

With a fresh, natural flavor, Galvanina Yellow Grapefruit Tonic is a balanced product with an exceptional aroma.

Initially, it has a strong, decisive and sophisticated flavor thanks to the elegant bitter notes of grapefruit. The flavor is extracted from yellow grapefruits grown organically in the Mediterranean Basin.

Thanks to a wonderfully harmonious flavor and balanced sugar levels, it is extremely versatile, making it exceptionally refreshing when served on its own.

Mixability: excellent with gin, it is also perfect for use in tequila-based cocktails.

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, ACIDITY REGULATOR: CITRIC ACID, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, NATURAL GRAPEFRUIT FLAVOURING. *FROM ORGANIC FARMING

TONICA

italiana

Organic Italian Tonic

200ml

Galvanina Italian Tonic stands out thanks to its delicate and non-intrusive flavor, with just a hint of bergamot; this exceptional citrus fruit, which is rarely fully exploited, is part of the bitter flavor scale of traditional tonic water.

The essence of the aromatic used gives this tonic a certain elegance and makes it extremely interesting for adding a twist to more traditional cocktails, giving them that hint of something special.

Mixability: impeccable with London Dry gins, gins with strong botanical notes, red vermouths, liqueurs and aperitifs.

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, ACIDITY REGULATOR: CITRIC ACID, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, NATURAL BERGAMOT* AND BASIL FLAVOURINGS. *FROM ORGANIC FARMING

COLA

ginger

Organic Ginger Cola

200ml

This Galvanina Cola also features ginger, giving this drink an exceptionally elegant profile.

The recipe balances citrus and herbs natural aromas, meaning this cola has a dual use: it is excellent as a mixer and is exceptionally thirst-quenching on its own. It is particularly delicious for mixing with strong spirits, which maintain and – in many cases – exalt its flavor profile. Galvanina Ginger Cola is decidedly unique: if used correctly it is a hybrid that falls somewhere between traditional cola and on ginger beer.

Mixability: excellent for mixing with brown spirits and ideal for adding a twist to traditional and tropical recipes.

INGREDIENTS: WATER, CANE SUGAR*, CARAMELIZED SUGAR*, CARBON DIOXIDE, GINGER EXTRACT *, ACIDITY REGULATOR: (L(+)-) TARTARIC ACID, NATURAL CITRUS FLAVOURINGS, NATURAL SPICES FLAVOURING. *FROM ORGANIC FARMING

BITTER

lemon

Organic Bitter Lemon

200ml

Created using Sicilian lemons, Galvanina Bitter Lemon has an intense fragrance and a flavor that releases all its wonderful taste sensations, exalted by lasting effervescence.

Its slightly bitter aftertaste makes it perfect as a mixer, in particular with gin. Galvanina Bitter Lemon also plays a significant role as a thirst-quenching stand-alone drink.

Mixability: ideal with gin and vodka, in particular with London Dry gins and gins with strong botanical notes, it is also excellent for adding a twist to traditional cocktails.

INGREDIENTS: WATER, LEMON JUICE (12%)*, CANE SUGAR*, CITRUS PULP (1%)*, CARBON DIOXIDE, NATURAL FLAVOURING: QUININE FROM CINCHONA BARK, ANTIOXIDANT: L-ASCORBIC ACID, NATURAL LEMON FLAVOURING. *FROM ORGANIC FARMING FROM JUICE CONCENTRATE

GINGER

beer

Organic Ginger Beer

200ml

An explosion of intense flavor, thanks to the fieriness of ginger root extract: Galvanina Ginger Beer also contains ginger juice and is enhanced by the aroma of lemongrass that exalts its strong personality.

This marked personality has a lasting effect, making it extremely refreshing when enjoyed on its own, but it really bursts into life as an ingredient in modern mixology, capable of opening up new horizons.

Mixability: excellent for mixing with clear and brown spirits and ideal for adding a twist to traditional and tropical recipes.

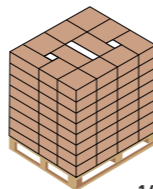

INGREDIENTS: WATER, CANE SUGAR*, CARBON DIOXIDE, GINGER JUICE (0,6%)*, GINGER ROOT EXTRACT (0,6%)*, ACIDITY REGULATOR: TARTARIC ACID (L(+)-), NATURAL LEMON FLAVOURING, NATURAL LEMONGRASS* AND CHILI PEPPER FLAVOURINGS, CARAMELIZED SUGAR*. *FROM ORGANIC FARMING

GALVANINA

Delicious, full of flavor and organic.

Galvanina soft drinks are created using the best ingredients, the juice and pulp of citrus and other fruits.

As the first step to creating our soft drinks, we carefully select the choicest ingredients from southern Italy and the Mediterranean Basin.

The unique flavors and aroma of fresh fruit, ripened on the tree following natural growing cycles, ensure our products, which have all been created using original Galvanina recipes, taste truly delicious.

Our refreshing organic soft drinks are thirst-quenching, whether served as they are or with a few cubes of ice and a slice of lemon or orange. However, it is in mixology that their other soul is revealed and they become perfect ingredients for creating unique and delicious cocktails and mocktails!

ARANCIATA ROSSA BLOOD ORANGE

Organic Sparkling Blood Orange

355ml

A citrus explosion

Made using Sanguinello, Tarocco and Moro blood oranges, with the addition of lemon juice, Galvanina Sparkling Blood Orange stands out thanks to its intense color and flavor.

This delicious taste is also the result of natural ripening of the citrus fruits, which are organically grown in south Italy, directly on the tree.

The addition of citrus pulp gives this soft drink added body and a pleasant consistency. Hence, as well as being refreshing as a stand-alone drink, it has become a key ingredient in mixology.

Visual impact: "decidedly red.

Olfactory impact: intense and lasting flavor.

Mixability: ideal for mixing with clear spirits, lightly-aged spirits, aperitifs and liqueurs. Perfect mixer for traditional aperitifs and long drinks.

ECCELLENZA BIOLOGICA ITALIANA

The line of Galvanina Century mineral waters

GALVANINA

Mineral waters from the heart of Italy

Pure and refreshing and with the perfect balance of minerals; we're talking about Galvanina waters!

Located in the regions of Emilia Romagna and the Marche, in the very heart of Italy, are the three springs our mineral waters come from: Galvanina, San Giuliano and Val di Meti. These are sites of pure and unspoiled nature where, as the water flows, it is enriched with minerals and other trace elements.

Purity, delicious flavor and the ideal balance of minerals are the main characteristics that make Galvanina water truly unique.

Its organoleptic properties are preserved and guaranteed thanks to the use of the most modern quality-control systems – from source through to the various bottling and packaging phases – in order to ensure its natural benefits are always preserved for consumers all over the world.

A bottle with a unique design that stands out thanks to its personality and character, capable of playing a leading role on tables all around the world, as an expression authentic Italian spirit.
